CRITICAL OPERATIONAL POLICIES & SECURITY DIRECTIVES

- **Strict Zero Transport Payment Policy:** All Hubballi Junction/Airport shuttle services are 100% complimentary for registered contingents. No payment fields or gateway charges exist anywhere in the platform.
- **Super Admin User Management (/admin/system/users):** Dedicated administrative module for account provisioning, credential resets, role assignments, active sessions audit, and force-logout execution.
- **Self-Service Profile Security (/profile):** All accounts can inspect active devices, revoke individual sessions, and update personal security credentials.
- **Data Privacy Standard:** Passwords and hashes are strictly excluded from API outputs. Session tokens are never exposed in administrative queries.
